## Career Profile

I am currently an undergraduate student at the Ionian University. Coding and computer science in general, i have to say is something that i love and enjoy doing. I consider it as one of my hobbies that i feel like i am really good at. In the future, out of the many fields that computer science has, i am most intrested in computer networks and artificial intelligence.

## Experiences

In this current timeline, i dont have any real experience. I am already trying to create and learn more things on the field in order to make my very own project.

## Skills & Proficiency

**Python**

**C**

**C++**

**HTML5 & CSS**
